

Money Ain't So Plentiful

In these trying times of peace that people care to waste it. When our pockets have many hours of labor, how many sacrifices and duties are required within the limit of that shining bit of precious metal we call "a dollar," what wonder people hesitate to part with it except for value received? If the testimony of the throngs of people who were with us during the past few days can be relied upon (and who dare question it?) we give for money

THE GREATEST VALUES.

All the people are wiser than some of the people. To say that the people are wiser than some of the people is to insult their intelligence. No business can be successful without the cordial cooperation of its customers—no co-operation can be successful without confidence. That we have little in a large measure shows that we have carefully nurtured the "seed of confidence" until it's big enough to give shade to all. Our methods of forcing growth are with

DISCOVERERS AND PERFECTORS OF THE OIL CURE.

Bright Disease of the Kidney yields promptly to our new discovery by correcting malassimilation of food and by the use of the oil of cod liver, which is the only remedy, the albumen in the urine disappearing in many cases with three weeks' treatment.

Rheumatism, "Catarrhs," the oils not only act as a protection to the already inflamed mucous membrane, but by absorbing carry through their medicinal properties to the surrounding cavity, which is thus relieved by no other method or means of treatment. Cause of long standing will require constitutional treatment in order to effect the cure.

Consumption. The treatment will be internal, external and by inhalation, the oil, when taken, being used, nothing but oil, which being safe, relieves the patient of any mental anxiety. The oil forms a coating of protection to the air cells thereby relieving the cough; they act as food to supply the wasting tissues, and by local application relieve pain or constriction of the chest.

making the patient breathe easier and freer, supplying more oxygen, so much needed by those with weak or diseased lungs.

Cancer, Piles, Eczema, Erysipelas and Tumors all yield to the local application of these soothing, healing, painless oils. Some of these diseases, when far advanced, will require constitutional treatment. All cases are guaranteed where fatal anemia has not set in.

Rheumatism. The failure to cure this disease has been the fault of the physician of all ages, as he has so often failed to make the essential diagnosis of neuritis, neuralgia, lumbago or uric acid diathesis, one of which you have, and when you determine this, the cure is assured, being a different mixture of oils for each.

Chronic Catarrh of the Bladder, of an inflammatory character, attended with very few applications of the oils, as do also leucorrhea, urethritis, vaginitis, and other troubles causing leucorrhea. All surgical diseases treated with skill and excellent satisfaction.

Inflammatory Diseases of the Eye and Ear, from whatever cause, soon get relieved and a permanent cure by the use of the oils. Address Drs. Reynolds, 149 North Spruce Street, Nashville, Tenn.
